## Ken-Ton's First and Only Meals on Wheels Program

Dear Neighbor,

Did you know that over 8.3 million older adults are facing the threat of hunger in the United States? In our own Ken-Ton community, **one out of every 10 people is 75 years of age or older.** They need our help to live safely and independently more than ever.

With the help of generous gifts from private donors and local businesses Ken-Ton Meals on Wheels was able to install over \$100,000 worth of new kitchen equipment. This upgrade has improved the quality of the food with the benefit of decreased operating expenses.

### Some facts:

- We've delivered delicious, nutritious meals to elderly and disabled neighbors for almost 40 years.
- Over 500 individuals were assisted in the last year.
- More than 86,000 meals were served in the last year.
- None of this would be possible without the help of neighbors like YOU!

Now, we need your support to keep meal rates low. Any size donation is appreciated. The amount we receive from client fees, private insurance contracts, food stamps and government assistance programs cover 80 percent of our operating expenses. Your donations and our fundraising cover the balance (about 20 percent of our costs).

You can mail a check using the attached envelope or visit <http://kentonmealsonwheels/how-to-help/Donations/5> and donate using your credit card through PayPal. Thank you for making a difference and caring for the elderly and disabled in our community! If you would like information about our meal program or want to volunteer, please call us at 874-3595.

Please remember Ken-Ton Meals on Wheels is the **ONLY** Meals on Wheels program serving home-delivered meals to our friends and neighbors in the Village of Kenmore and the Town of Tonawanda.

Please support Ken-Ton Meals on Wheels Annual Fund Drive by making a tax deductible donation before the end of the year.

Sincerely,
