

PRESS RELEASE

Ken-Ton Meals on Wheels announced today that they have completed another highly successful Annual Fund Campaign at the end of 2017. "Our Annual Fund Campaign begins in October with a letter to every address in the Village of Kenmore and Town of Tonawanda. Once again the support of the community is overwhelming. Our meals prices are set at around eighty-five percent of our costs and we look for donations and fundraising events to cover the remaining fifteen percent. We met that goal in 2017 thanks to our neighbors who responded to the call." said Dan Wiles, Executive Director. "On behalf of all those who receive meals, the volunteers who prepare and deliver those meals, our Board of Directors and staff I want to thank everyone. This is just one example of why Ken-Ton is a great place to live, work and play!" Following is a list of those who sent a donation to the organization in the past year:
